In his second letter to the church at Corinth, the apostle Paul defends the authenticity of his authority and teaching, helping his readers see that the gospel is full of seemingly paradoxical truths—strength from weakness, life through death, and comfort in affliction.

Highlighting how the gospel confronts our own culture’s expectations and drawing implications for all of life, Dane C. Ortlund helps us discover the truth that the gospel humbles the powerful while strengthening the weak.

[Hoping for Something Better: Refusing to Settle for Life as Usual](#) by Nancy Guthrie –

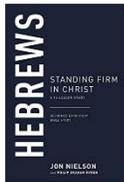

Who wants to merely go through the motions of religion? We long for something authentic—something worth opening our hearts to, filling our minds with, and giving our lives for. We hope for something better than the “churchianity” of our parents and the vague spirituality of our neighbors, something better than guilt-induced, holier-than-thou morality, better than here-and-now, health-and-wealth promises. In her thought-provoking and authentic style, Nancy Guthrie shows that Jesus himself offers the something better we've been looking for, applying the truths of Hebrews to real-life issues such as guilt, shame, disappointment, hardship, unhealthy obsessions, personal ambition, and fear of death.

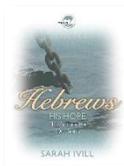

[Colossians and Philemon: A 12-Week Study](#) by Christopher A. Beetham (Knowing the Bible) - The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word.

With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible.

[Hebrews: Standing Firm in Christ, A 13-Lesson Study](#) - How do we stand firm in faith? Throughout the ages, Christians have experienced persecution, spiritual apathy, and suffering of all kinds. The book of Hebrews captures our deep struggles and, with a message of hope and warning, points us to the surpassing supremacy of Jesus Christ.

[Hebrews His Hope: The Anchor For Our Souls](#) by Sarah Ivell - Every page of the book of Hebrews magnifies Christ and Christ alone. It brings you to your knees in adoration and worship of our most magnificent Lord and Savior Jesus Christ. It also shows Christ at the center of the Old Testament and how every OT sacrifice was a type of the greatest sacrifice to come in Christ's sacrificial offering on the cross.

You cannot help but see the OT come alive before your very eyes as you study the book of Hebrews. So, it is with great excitement that I have written this study for women to know Christ and to magnify Him as the One to whom all Scripture points.

[Genesis: Let Grace Begin](#) by Will Hesterberg - It has been said that every major doctrine of any importance in the Bible finds its roots in Genesis. To understand God, our world, and ourselves, we must begin at the beginning - in Genesis.

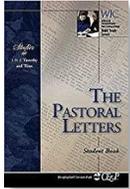

Without a solid understanding of Genesis, we are lost; we are coming into the middle of the story. It is in Genesis that we learn about how God made us, His purpose for us, and His unrelenting love for His rebellious children. Here we discover the spring of God's covenant that widens from a trickling stream to an overflowing river of grace throughout the remainder of the Bible to bring Christ's blessing to people from every language, tribe, and nation.

Here too we learn about some of the great early saints of the faith - Noah, Abraham, Isaac, Jacob, and Joseph, real people with their share of weaknesses and mistakes. But more importantly we see regular glimpses of God's grace manifested to them and their families. And we see Christ mirrored in their circumstances and character. Through God's faithful pursuit of His people in Genesis, we find hope that God will also work in and through us and that we can also reflect our Lord Jesus to those around us. Contains questions at the end of each chapter. This study of Genesis is an inductive interactive Bible study designed in a workbook format to enable you to get into God's Word and into a growing relationship with God. It is designed for individual or group study.

Ephesians: A 12-Week Study by Eric C. Redmund (Knowing the Bible) - The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components:

The letter to the Ephesians is a source of great encouragement, clearly proclaiming the mystery of the gospel and the supremacy of Jesus while applying that theology to practical living. Made alive in Christ, believers have received a bountiful inheritance and lavish blessings from God, fueling us for holy living. In this study, Eric Redmond opens our eyes to Paul's teaching about God's astonishing grace—grace that enables us to walk in love, holiness, and wisdom as we become imitators of Christ.

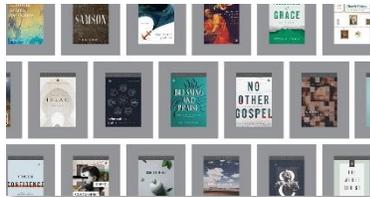

Chosen from The Daily Grace Co. Chosen is an in depth study of Ephesians.

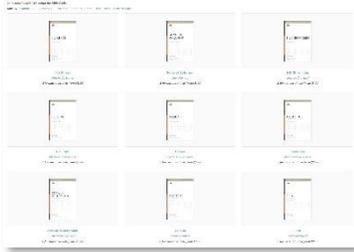

This 7 week study takes a verse by verse walk through the book of Ephesians. The study covers many themes found in the book of Ephesians. The first half of the study focuses on who we are and our identity in Christ, and then the second half of the book looks at how we should live the Christian life in light of that identity.

The study also covers the message of the gospel and the armor of God.
