

WHO AM I?

How is a caterpillar different than a butterfly? What made the difference?

The Christian life is similar - we are different after Christ than we were before Christ. Look at these verses and write down anything that they say about what we were like BEFORE Christ in the first column. Then write down anything it says about what we are like AFTER Christ in the second column.

Ezekiel 36:25-27
Ephesians 2:1-3
Ephesians 2:4-10

2 Corinthians 5:21
John 1:12
Colossians 2:9-10
